Advocating for Safe & Affordable  
Quality Residential Care

# Benefits of becoming a 6Beds Paid Professional Member

6Beds, Inc. is an advocacy and education organization dedicated to supporting ARF and RCFE providers serving frail California seniors and adults with disabilities. 6Beds helps providers navigate complex regulations, stay compliant with evolving requirements, and protect reimbursement through timely education, resources, and representation.

## Why you should become a 6Beds Paid Professional Member

### Compliance Oversight

Clear, practical guidance on audit and fiscal review requirements, DDS and Regional Center expectations, and the documentation needed to remain eligible for the 10% QIP rate.

### Insightful Webinars & Training

Access to provider-focused webinars, including QIP compliance webinars, that break down complex requirements into clear, actionable guidance for day-to-day operations.

### Timely Regulatory Updates

Ongoing updates on policy changes, enforcement timelines, and regulatory guidance so you can prepare early and avoid last-minute risk.

### Advocacy on Your Behalf

Membership supports active representation of ARF and RCFE providers in legislative and policy discussions that directly impact compliance and reimbursement.

### Practical Tools & Resources

Member-only checklists, educational materials, and operational guidance designed to support ongoing readiness—not just awareness.

### Industry Expertise

Opportunities to learn from experienced professionals and connect with a trusted community of ARF and RCFE providers facing similar challenges.
